vs.)

Celysce Lenore Stiffarm,)	Case No. 1:23-cr-101
)	
Defendant.)	

On August 1, 2023, Defendant filed a Motion for Pretrial Release. (Doc. No. 51). She requests to be released to the Good Road Recovery Center in Bismarck, North Dakota, so that she can participate in its inpatient treatment program. She advises that the Good Road Recovery Center can transport her to its facility should the court be inclined to authorize her release.

A detention hearing may be reopened “if the judicial officer finds that information exists that was not known to the movant at the time of the hearing and that has a material bearing on the issue whether there are conditions of release that will reasonably assure the appearance of such person as required and the safety of any other person and the community.” 18 U.S.C. § 3142(f)(2).

An immediate placement at the Good Road Recovery Center was not available to Defendant at the time of her detention hearing and has a material bearing on the issue of detention. The court finds that a placement of Defendant at the Good Road Recovery Center with additional conditions will reasonably assure both her appearance at future proceedings and the community's safety. The court therefore **GRANTS** her motion (Doc. No. 51).

Defendant shall be released no earlier than 3:00 PM on August 2, 2023, to a representative of the Good Road Recovery Center or other person approved by the Pretrial Services Office for

immediate transport to the Good Road Recovery Center. Defendant's release is subject to the following conditions:

- (3) Defendant shall refrain from the use of alcohol; any use or possession of a narcotic drug and other controlled substances defined in 21 U.S.C. § 802 or state statute, unless prescribed by a licensed medical practitioner, and any use of inhalants. Defendant shall submit to drug/alcohol screening at the direction of the Pretrial Services Officer to verify compliance. Failure or refusal to submit to testing or tampering with the collection process or specimen may be considered the same as a positive test.
- (4) Defendant shall report to the Pretrial Services Officer at such times and in such manner as designated by the Officer.
- (5) Defendant shall not possess a firearm, destructive device, or other dangerous weapon.
- (6) Defendant shall not obtain a passport.

- (8) Defendant shall reside at the Good Road Recovery Center, fully participate in its programming, and comply with all of its rules and regulations.
- (9) Defendant must sign all release forms to allow the Pretrial Services Officer to obtain

information from the Good Road Recovery Center OR to communicate with Good Road Recovery Center staff about her progress in the program.

Any passes allowed by the Good Road Recovery Center must be approved by the Pretrial Services Officer.

If for any reason Defendant is terminated from the Good Road Recovery Center, she must immediately report to the United States Marshal.

At least 96 hours prior to anticipated completion of the treatment program, Defendant must advise the Pretrial Services Officer of her anticipated completion date so the court may schedule a hearing to review her release status.

- (10) Defendant shall submit her person, residence, vehicle, and/or possessions to a search conducted by a Pretrial Services Officer at the request of the Pretrial Services Officer. Failure to submit to a search may be grounds for revocation of pretrial release. Defendant shall notify any other residents that the premises may be subject to searches pursuant to this condition.
- (11) Defendant must report as soon as possible, to the pretrial services or supervising officer, every contact with law enforcement personnel, including arrests, questioning, or traffic stops.
